My Weekend

The last weekend I went to the park with my friends. The weather was sunny and warmly, so we were very happy. Firstly, we played football since two hours. After that, we at ice cream. I had chocolate and my friend had strawberry. Than we went to the playground. We climbed and jumped for a big time. Later, we sat inside the grass and listened to music. We also talked about school and told to each other funny stories. It was a great day. I like to go to the park because there are many fun things to do. At the afternoon, we walked around the park and watched the ducks at the pond. We took some photos because the park looked really beautifully. There were a lots of flowers and green trees. I hope we can go their again next weekend. Spending time with my friends outside makes me really happy.
