

Transition phases

01

Parents play with their child at childcare while the key educator observes

02

Parents, child and key educator play together at childcare

03

Child and key educator play together at childcare, whilst parents watch from the sidelines.

04

Child and key educator play together at childcare: the parents remain in the room at the distance from the child and do not follow the child when they go into another room.

05

Child and key educator play together at childcare; parents say goodbye and go into another room.

06

Child and key educator play together at childcare; parents say goodbye and leave the building

This poster visualizing the phases of transition to centre-based childcare is part of the Guide: [Transition to centre-based childcare: Working together with parents, overcoming language barriers](#). The guide as well as the poster translated into several languages are available at the Institute for Early Childhood Education 0 to 8 years of St.Gallen University of Teacher education: www.fruehe-bildung.ch.
